**The Gazette-News**

THE GAZETTE-NEWS is a weekly newspaper published at Daytona, Florida, by Geo. F. Crouch, in the interest of Daytona and vicinity, is Democratic in political flavor, and is an advocate of prosperity, peace and good roads for our citizens. Its columns are devoted to bringing before our readers a brief and authentic account of the happenings of this place and of the adjoining communities. Our local writers are ever on the lookout for news items and are assisted by good correspondents from all nearby towns.

The Northerner who spends his winters here, the occasional winter resident, or those who are now making their first visit to our City, could invest no money where it would give them greater enjoyment for a year than \$1.50 spent for a subscription to the GAZETTE-NEWS. In the course of a year it will tell the Northern reader what Daytona really is, and if our section of the country would be better suited to him than his present location.

As to health, we firmly believe that Daytona is as healthy a location as any spot in the United States, and is briefly quoted as "Daytona is lost Paradise regained." To tell even briefly our advantages over other sections of the country in Health, Investments, Pleasures, and a place one can call Home, would consume too much space. And as a suggestion, for your personal enjoyment and business relations in the South, that you subscribe now for the GAZETTE-NEWS. We would be pleased to count you as a "Daytona advocate" and a GAZETTE-NEWS Reader.

Make our Office your Headquarters.
